

## **Freedom of Information Act Request**

Under the Freedom of Information Act, I would like to request the following information:

I am writing to request the following under the Freedom of Information Act, regarding use of and provision for the DASH checklist, aka Domestic Abuse, Stalking and Honour Based Violence

1. Is the DASH RIC used by your organisation as part of services (e.g. domestic abuse provision, victim support)?

**Yes**

2. Is the use of DASH RIC a standard provision or a requirement in contracts with third-party providers of relevant services (e.g. domestic abuse services, sheltered housing)?

**Standard provision**

3. If the DASH checklist is used by your organisation, which organisation or organisations provide the training that includes DASH training? (e.g. Domestic Abuse Matters training)

**City of Doncaster Council  
Equation (Nottingham City and County)**

4. What is the cost to your organisation of such training? Please break this down by financial year over the last five years, as well as by organisation (if more than one organisation provides the relevant training)

**Training is provided across the partnership with no cost attached to the provider.**

If the answer to any of the above is more complicated than a "yes/no", please provide a short explanation.

If you are able to provide part but not all of the information requested, please do so, rather than rejecting the whole request.

If you are not satisfied with the handling of your request, you have the right to request an internal review. Requests for an internal review should be submitted within 40 working days from the date of this response, and should be addressed to
