Freedom of Information Act Request

I am writing to request information under the Freedom of Information Act 2000.

- Please state the total expenditure by the Trust on clinical insourcing services for current financial year (April 2025 – Present). **12 month spend**
£6,218,311.63

- Please note, clinical insourcing is defined as the practice where external healthcare providers deliver specialised medical services or procedures within a healthcare facility's existing infrastructure to address capacity demands or reduce patient waiting lists. **See Table below**

- For the current financial year (April 2025 – Present), please list all clinical specialties for which the Trust utilised clinical insourcing services. For each specialty, please name the insourcing provider/s used. **See Table below**

- For the current financial year (April 2025 – Present), please confirm the method used to procure clinical insourcing services – Direct Award / Mini-Competition / Framework Tender. **See Table below**

- For the current financial year (April 2025 – Present), please confirm the Frameworks used to procure clinical insourcing services. **See Table below**

- As of week commencing 2nd March 2026, please confirm if the Trust has any active/live insourcing contracts in place. If yes, please specify the clinical specialty, name of supplier and planned end date for each active contract. **See Table below**

- For each active contract due to expire within 6 months of 31st March 2026, please confirm if the Trust would be looking to extend these services via Direct Award or if a Competitive Process will be planned to take place to re-Tender for services. **See Table below**
