## Freedom of Information Act Request

I am writing to request information under the Freedom of Information Act 2000.

For the 4 months from September to December 2025, how many **unique\*** patients received the following intra-vitreous treatments for any eye condition:

Aflibercept - 741

Bevacizumab - 16

Brolucizumab - 0

Dexamethasone - 16

Faricimab - 755

Ranibizumab - #

Fluocinolone acetonide 0

Please note that where figures are fewer than five, these have been suppressed and shown as “#”. This is to prevent the potential identification of individuals and is in accordance with **Section 40(2) of the Freedom of Information Act 2000 (personal data)**. This exemption is absolute and does not require a public interest test.

\*Please count a patient only once for any treatment, regardless of how many injections or implants they may have received
