## Freedom of Information Act Request

I am writing to request information under the Freedom of Information Act 2000.

I'm writing from Parkinson's UK to ask for data relating to Parkinson's specialists who work in your Trust, at your different sites.

Please could you therefore provide me with details of the number of:

Specialist nurses you have working wholly or mostly with people with Parkinson's at your Trust?

None are employed directly with DBTH – however we receive specialist Parkinson's nurse support from RDaSH. There are two staff from RDaSH that provide in reach and specialist advice.

Neurologists who have a specialist interest or declared knowledge of Parkinson's at your Trust?

None – we rely on Sheffield Teaching Hospitals to provide neurology advice and reviews.

Geriatricians who have a specialist interest or declared knowledge of Parkinson's at your Trust?

We have two geriatricians who have a specialist interest in Parkinson's, 1 part time and 1 full time.

If you are not satisfied with the handling of your request, you have the right to request an internal review. Requests for an internal review should be submitted within 40 working days from the date of this response, and should be addressed to [d.wraith@nhs.net](mailto:d.wraith@nhs.net).

If you remain dissatisfied after the internal review, you have the right to appeal to the Information Commissioner's Office (ICO). The ICO can be contacted at:
