Where figures are fewer than five, they have been replaced with “#”.
This is because the disclosure of very small numbers, particularly when combined with other information provided (such as year, service area or site), may risk the identification of individuals. The Trust has therefore applied small number suppression in accordance with Section 40(2) of the Freedom of Information Act 2000 (Personal Data).

Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust

Section 40(2) exempts information from disclosure where it constitutes personal data and where disclosure would be unfair or unlawful under the UK General Data Protection Regulation and the Data Protection Act 2018.
Replacing small numbers with "#" helps ensure that individuals cannot be identified from the information provided.

If you are not satisfied with the handling of your request, you have the right to request an internal review. Requests for an internal review should be submitted within 40 working days from the date of this response, and should be addressed to d.wraith@nhs.net.
