Freedom of Information Act Request

I am writing to request information under the Freedom of Information Act 2000.

- The FTE number of staff, working on cost recovery from overseas patients not exempt from charge. Where available can you provide a breakdown of staff at the grades of overseas patients manager, overseas team leader overseas officer, or equivalent.

The Trust holds the following information in relation to staffing for overseas patient cost recovery functions.
The overseas patients team is supported by a small number of staff across a range of bands.
The team includes:

- Senior managerial resource (Band 6)
- Supervisory roles (Band 4)
- Administrative and support roles (Bands 2–3)

Total staffing is approximately 4 WTE.
Due to the small size of the team, providing a detailed breakdown by band and role could lead to the identification of individual members of staff. Therefore, some detail has been withheld under Section 40(2) of the Freedom of Information Act 2000 (personal data).

If you are not satisfied with the handling of your request, you have the right to request an internal review. Requests for an internal review should be submitted within 40 working days from the date of this response, and should be addressed to d.wraith@nhs.net.

If you remain dissatisfied after the internal review, you have the right to appeal to the Information Commissioner's Office (ICO). The ICO can be contacted at:
